Greatest Editorial Needs: Fruitbearer is an Indie Publishing House.

Greatest Editorial Needs: Fruitbearer is an Indie Publishing House. That means that while there are fees for the author, we are not a typical self-publishing house. We don't accept everything someone submits. And we offer royalties and distribution. This gives you a little of both self publishing and traditional publishing. We handle your manuscript with the greatest care. While Fruitbearer Publishing is primarily a Christian publishing house, your manuscript does not have to be Christian. We won't publish anything that goes against our statement of faith, but we love uplifting books for all ages! See our website for more details.
