

# **Confidentially Yours: Ethics in Non-Fiction Writing**

**Greater Philadelphia Christian Writers Conference, 2019  
Emily Parke Chase (echase@messiah.edu)**

**What issues are involved in telling true stories about family members and/or clients?**

**What additional privacy issues might arise when recording our own life stories?**

**How can identity be protected without compromising the truth? Don't assume readers will not connect the dots!**

**When are permission/release forms needed? What information should they include?**

**What guidelines for writers can we find in Scripture that will help us in addressing the issues of confidentiality?**

**Tell the Truth! Tell it with compassion!**
